

**Creating a stir in the Education Sector - Innovative Education Ideas Talks by SASI,
Islamabad (March 12th 2014)**

With the idea of freely sharing innovations on an open forum, Ilm Ideas an initiative of DAI Europe, held its first "*Education Innovation Alliance: Kitabon Se Aagay*" at Kuch Khas on 12th March in Islamabad. Based on the idea of the famous TED Talks, selected grantees of the Ilm Ideas Innovation Fund presented their initiatives to foster a conducive environment of education innovations all over Pakistan. SASI was one of the six education innovators who presented their solutions in an informative and inspirational talk session. Teletaleem, The Communicators, National Rural Support Programme, Children's Global Network and Family Educational Services Foundation were all present to showcase their piloted and tested services to the audience.
